D.No.3125. S.N.(1).

1 The expenditure, which is proposed to be met from the Surplus Account, exceeds Rs.2,000/- and therefore requires the previous sanction of the Resident under Rule 3-A of the Budget Rules. Necessary provision has been included in the budget for 1939-40.

2 In connection with the question of improving the water supply to Fraser Town, Cox Town and Cooke Town, the P.M.C. has stated that it might be necessary to defer some of the works proposed to be financed from the Surplus Account and included in the budget for 1939-40. The suggestion of course is to postpone only such of the works as are not urgent.

As the expenditure under consideration is said to be essential to the proper conduct of the Public Analyst's duties, it may be sanctioned. Draft submitted.
